

s2kDOTza Entertainment

Independent Music & Live Events Platform

- Building culture. Creating platforms. Delivering audiences.
- Founded by Pitch Black Afro

Who We Are

Hip-hop and culture company

- South African owned
- Independent
- Live-first business model
- Proven creative leadership

The Problem (For Brands)

Brands struggle to:

- Reach real, loyal youth audiences
- Connect authentically with culture
- Cut through digital noise
- Music audiences trust culture more than ads.

Our Solution

s2kDOTza provides:

- Curated live events
- Trusted artists
- Consistent content
- Safe, controlled environments
- We don't chase hype — we build repeat audiences.

Our Audience

Conservative, honest numbers

- Age: 18–35
- Location: Urban SA (primarily, not constricted)
- Interests: Music, night-life, fashion, culture
- Behaviour: Live events, social sharing

Our Platforms

Live • Digital • Music

- LIVE EVENTS — Monthly branded shows, 150–300+ attendees, controlled venues
- DIGITAL — Social media content, performance clips, artist-led storytelling
- MUSIC — Ongoing releases, catalogue growth

Why s2kDOTza Is A Safe Partner

We protect brand reputation

- Professional contracts & systems
- Clear artist agreements
- Structured event operations
- Responsible brand alignment

Founder & Leadership

Pitch Black Afro

- Award-winning hip-hop artist
- Industry experience
- Creative director & founder
- Veteran leadership focused on structure and sustainability.

Artists & Talent

Featured roster

- Pitch Black Afro
- Wijo (Rap)
- Zinhle (Kwaito)
- Prayer (Afro-Pop – upcoming)
- Diversity • Performance-ready talent • Audience connection

Sponsor Opportunities

Customisable options

- Event naming rights
- Stage branding
- Digital content integration
- Product placement
- Branded experiences

Sample Activations

Experience, not advertising

- Brand-hosted stage moments
- Co-branded visuals
- Social media shout-outs
- Audience competitions

Value For Brands

Long-term partnership

- Direct access to live audiences
- Authentic cultural alignment
- Measurable engagement
- Repeat exposure (monthly)

Data & Reporting

Transparency builds trust

- Attendance numbers
- Content reach
- Engagement metrics
- Post-event reports

Sponsor Levels (Example)

Tiered partnership model

- Supporter — Entry-level
- Partner — Monthly integration
- Title Sponsor — Event ownership
- Pricing discussed privately.

Next Steps

Let's build something consistent

- Identify brand alignment
- Customise activation
- Confirm dates
- Sign agreement
